Dear Sir,

This has reference to your letter No. ICE/1P/21/06/1341 dated 08th January, 2008 seeking clarification on the recognition of Associate Membership Examination of the Institution of Civil Engineers (India).

Associate Membership Examination of the Institution of Civil Engineers (India), New Delhi, has been recognized by the Government of India as equivalent to Bachelor Degree in Civil Engineering & Architectural Engineering of an Indian University for purpose of employment where Bachelor's Degree in Civil Engineering & Architectural Engineering is the prescribed eligibility qualification.

We would also like to inform you that Graduateship examination of the Indian Institution of Industrial Engineering Navi Mumbai, Institution of Engineers (India) and similar such Professional Bodies are accepted for Graduate Aptitude Test in Engineering (GATE) conducted by the Indian Institutes of Technology (IITs) and other universities for admission to postgraduate programme in Engineering.

As the Associate Membership Examination of the Institution of Civil Engineers (India) has been recognized by the Government of India for purpose of employment where Bachelor Degree in Engineering is prescribed as a qualification, we do not foresee any difficulty in acceptance of this qualification at Indian Universities, on merits, for admission to higher courses.

Thanking you,

Yours faithfully,
